Dear Mr. Arrequin,

The Department of Transportation (Caltrans) received a letter dated October 8, 2015, from Bay Cities Paving & Grading Inc. (Bay Cities) requesting that Caltrans reconsider the nonresponsive bid finding on September 15, 2015, because Bay Cities failed to submit its Bidders Security on bid date for the above referenced contract.

Provided for your information, is a screen print from Bay Cities bid submission, which confirms that Bay Cities elected to submit *other Bidder's Security*. However, Caltrans did not receive any form of Bidder's Security prior to bid time. For this reason, the bid was nonresponsive.

Based on the above, Caltrans upholds its original determination that the bid submitted by Bay Cities nonresponsive and will proceed to award this contract to the lowest responsible bidder provided all requirements have been met.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,

A handwritten signature in black ink, appearing to read "John C. McMillan".
